

About Us

Aloha and welcome to TNS Construction Co; Licensed General Building Contractors, Metal Building Contractors, and Painting Contractors. We are a locally owned and operated company doing work throughout the State of Hawaii. We have completed a number of projects throughout the years including single family homes, residential renovations and remodels, multi-home subdivisions, track home projects, metal buildings, commercial buildings, commercial renovations and repairs, and a number of projects for the State of Hawaii as well as the Federal and County Government agencies. Under a very successful and hardworking team of 20+ employees we continue to operate and grow in today's competitive market and struggling economy. The result of our commitment to the best customer service and high quality workmanship has kept us busy and working full time throughout the construction slump. As we continue to improve and serve, it is our obligation to stay loyal and honest to our clients and always keep everyone satisfied. Staying in touch with many and even returning for future work gives us a proud feeling and a sense of trust and accomplishment in knowing that we've done our job. We have the experience, the character and capacity to cover a wide range of services which make us an excellent provider for any customer. As technology takes us to new levels, we continue to improve and grow with the benefits provided to all who come to share that building experience with our team. Please stop by and visit us at our Hilo Office and we will do our absolute best to meet your needs.
